# [UI] Robot Bear icon is not appearing

Description:

On the application, the icon of Robot Bear character is not appearing. Following the Figma mockup, there is a icon for this character, so on application should be the same.

Steps to reproduce

1. Enter on Battle of Monsters application

2. On the first screen, it is possible to see all the monsters. For Robot Bear, there is no icon.

Expected behaviour

Following the figma mockup, it should appear an icon for Robot Bear.

Environment

localhost
